PREMIUM LIFESTYLE SNEAKER SHOE

AUTUMN / WINTER 2026

INTRODUCTION

CIMERO is a premium lifestyle footwear brand dedicated to creating modern sneakers & everyday footwear that combine comfort, craftsmanship & contemporary design inspired by modern urban lifestyles. The brand aims to provide consumers with footwear that not only looks stylish but also supports their daily life journey with confidence and ease. This is designed for consumers who seek fashionable, comfortable, and high-quality footwear for daily life.

**MADE

MEN'S SERIES

CIMERO men's sneakers feature a modern, versatile design with clean panel construction, stylish colour blocking, detailed stitching and sporty side overlays that make them suitable for everyday wear and casual outfits. The shoes appear to use a combination of smooth PU, suede-textured panels, breathable fabric and durable rubber outsoles, giving them a premium look with practical strength. Soft padded collars, cushioned insoles, flexible soles and secure lace-up closures are designed to provide comfortable support, easy movement and reliable grip throughout the day, making the collection a balanced choice for style, quality and daily comfort.

WOMEN'S SERIES

The CIMERO women's sneaker features a clean, modern low-top silhouette in a fresh white base, highlighted with soft pastel blue and sage-green overlays. Its layered panel construction, perforated toe area, lace-up closure, and padded collar create a sporty yet feminine look. The upper appears to combine smooth synthetic leather with breathable detailing, while the cushioned midsole and textured mint-green rubber outsole provide everyday comfort, grip, and support. Lightweight, versatile, and easy to style, this sneaker is ideal for casual wear, college, travel, and daily outfits.
